DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The non-final Office action mailed on July 31, 2007, was correctly identified as a non-final action on the Office Action Summary (PTOL-326), inadvertently identified as a final action on page 9 of the action. This letter is intended to clarify the record by resolving the ambiguity in the last Office action.

Accordingly, the response filed by the applicants on October 1, 2007 has been treated as an amendment after a non-final action.

No response to this letter is required.
